Category Totals		141	---	14	24	19	11	6	8	31
Full Total	272 units or 544 individuals									
Will require appointing on average 77 individuals per year until 2010										
Will result in 742 individual appointments for period 2001-2010 (additional MA and IFAP appointments expected to put us over 2010 goals)										
Will require a candidate pool of 413 people which means approx. 117 new accreditations per year... plus 75 accreditations to catch up...
