

## Who We Are

As a ministry of the C&MA, Envision identifies and develops missional leaders who innovate, establish, and strengthen communities of faith in key urban environments. We do this through short-term trips, internships, leadership development, and ministry opportunities in the Alliance family.

## Why Envision?

We live in a world that is changing rapidly. Globalization, rising poverty, unrest, urbanization . . . the landscape of missions is changing. This means the way we do missions must change too. In the midst of all of this, God is at work.

# ***Trips***

7–10 days, groups only

Trips are 7–10 day opportunities for churches to serve around the world and here in the United States. Trips provide healthy engagement in missions and discipleship experiences, leading to personal development and deeper involvement on mission. They are founded on healthy long-term partnerships, impactful ministries, and holistic training and debriefing.

# ***Internships***

1–11 months

The Internship program is designed to provide an opportunity for hands-on ministry experience in a cross-cultural setting while preparing individuals for long-term service. The program intentionally aims to develop ministry values, discipleship values, global perspectives, followership, and spiritual soul depth and awareness.

## Envision Ministry Sites

# ***Residencies***

2 years

The Residency program is a two-year, cohort-based program that offers an opportunity for individuals or couples to experience a lifestyle of ministry at one of our Envision sites, serving alongside long-term Envision staff. Using a variety of tools, resources, and one-on-one coaching, Residents are led through topics to intentionally develop ministry readiness, discipleship values, cross-cultural agility, leadership, and spiritual soul depth and awareness.

# ***Summit***

4 days, biennial

Summit is a leadership conference hosted every two years that focuses on developing the skill and shaping the soul of the young influencer. The conference specifically focuses on issues of the soul and growing in soul awareness and depth, as well as leadership as it pertains to key issues facing the Church today. The Summit is designed for leaders ages 25 to 35.
