Thank you all for your generous gift to the Great Commission Fund this recent Council offering! Because of your gift we are able to welcome Stuart and Rebecca as new members of our team. Stuart and Rebecca will be involved in church planting and theological education in Indonesia and will expand our influence to another one of our theological schools on another island. They will be used to prepare the next generation of Indonesian young people for evangelism, missions, and church ministry throughout Indonesia and beyond! Thank you!

—Andy and Lora, Indonesia

Thank you for the overwhelming generosity you have shown in giving to support Alliance Missions. Because of you, our team (which has historically been really small) is finally at a healthy size and we are excited because this creates incredible opportunities in our city of 1.5 million people. Your support means so much to us and we are thrilled to see the way that God has answered our prayers THROUGH YOU! Thank you on behalf of our team . . . and thank you on behalf of each person that will hear the good news of the gospel of Jesus as a direct result of your gift. With love from Team Green,

—David, Creative-access worker

We want to thank you for your support to send 60 new workers around the world. Some of those workers are coming to Cambodia to assist with bringing the Gospel to the Vietnamese people who live here. There are nearly a million Vietnamese people who live in Cambodia and less than 1 in 500 know Christ. The new workers coming to Cambodia will help us operate a school where Vietnamese children learn reading, writing, arithmetic, and the Gospel. This helps prevent them from being sold into the sex trade since they have viable skills that can be used in the marketplace. Even more importantly, most of these students come to know Christ. Thank you for your partnership with us to make a very practical and eternal difference in these young lives.

—David, Cambodia

Thank you for so generously contributing to the Great Commission Day offering! Here in Spain your recent generosity has allowed us to receive two new couples and an experienced couple redeployed to active service for the first time in Spain to join our efforts to reach the Muslim communities in the Barcelona area and outside of Madrid. What a blessing to be able to establish new ministries to this needy people group—the nations coming to us! We will not know the full impact of your generosity in our lifetime, in terms of men, women, and children who will be drawn to the feet of the Savior and join us in Glory to worship our Glorious God. But we know that the Savior is doing deep work in many hearts, and it’s a great JOY to have new workers sent to the ripened fields to establish new points of ministry to reach the unreached. To God be the Glory forever, Amen!

—Betsy, Creative-access worker

It is through your generous gifts and prayers that we are able to bring a glimpse of hope in such dark countries. People who have never heard of having a personal relationship with God are finally encountering the living power of Jesus. It brings great encouragement to us to know that you are actively playing a part of the work being done here. Thank You.

—Jackson, Creative-access worker
We are excited to welcome [a new family] onto our team this summer! Our medical clinic for refugees opened 15 years ago and we have always struggled to keep it properly staffed. Faith is a huge answer to prayer since she will be the first fully qualified medical professional that is GCF funded and committed on a long-term basis to this ministry. Chris’ passion for missional living and discipleship is a perfect fit as we enter a new season of harvest in a context that historically has seen limited fruit. We are so thankful for the committed and sacrificial giving of our Alliance family!

—Jared, Creative-access worker

Thank you for giving! Because of your giving, the Lord is providing us a Christian counselor to work with the many traumatized by the effects of the Syrian war who now live in our European city! So many have lost so much and as the Lord works through this Christian counselor, we are confident that His Love will draw many to Himself as Christ our Healer touches their hearts! Thank you for giving! Peace,

—Juri, Creative-access worker

Ours is a very small team in a country where born-again believers are a tiny proportion (1 in 5,000) of the population. At times our impact seems limited; especially because we are a small team. However, your incredible response to the Great Commission Day offering is making it possible for a new family of five to join us next month! Once again, you have gathered around us as a family to encourage, strengthen and spur us on. Thank you!

—Kathy, Bosnia-Herzegovina

Thank God for all of you who gave to the Great Commission Day Offering. I ask our Father in heaven to bless you in every way! Together in His service,

—Mark, Bosnia-Herzegovina

Wow! I was so excited to read the report of how much you gave! Your giving goes towards helping our team receive a new unit! This is huge for us as we haven’t added a new unit to our team in over five years. We are thrilled and so thankful God used you to bless us! I am so grateful to be part of the Alliance family—thank you for your kindness!

—Krystal, Creative-access worker

Thank you so much for giving to Alliance Missions so that the work in the Middle East can go forward. We have been seeing increased response and openness here and your gift will allow us more people to visit more families and spend more time with people who have never known a follower of Jesus. As the people of the Middle East get a chance to meet true followers of Jesus, more and more of them are being drawn to Christ. Thank you for your part in giving the people of the Middle East a chance to know Jesus!

—Matt, Creative-access worker

A vocational training school for boys has sat empty in northern Senegal for two years because we have lacked the teachers to run it. We have been praying for God to raise up new workers with a heart to reach the lost through teaching mechanics. God answered our prayers and called Josh and Heather Erickson out of the American dream they had been pursuing to serve Him in Senegal. At the same time, He also convicted the hearts of many individuals and churches in the United States to come alongside with sacrificial giving to make it possible for Josh and Heather to follow the call God had placed on their lives. Thank you for your partnership in the Gospel! Your giving will enable our team to reach young men with the Gospel who otherwise would lack access.

—Mike and Valerie, Senegal

Thank you for your incredible generosity in giving to the Great Commission Day offering. We are very excited to receive one of the workers who is being sent because of the [contributions] that you generously gave! Our new teammate will join us in reaching out to refugees in North East Germany. They are an unreached people group now living alongside an unreached people group because former East Germans are largely atheistic and less than 1 percent attend churches. Many of the refugees from the Middle East still view Germany as a Christian country—but when they have questions, they are surrounded by secularism, not faith. We desperately need workers here who can share the hope of Jesus. Your giving is making that possible. Thank you!

—Mike and Elissa, Germany

We can’t express our gratitude enough! Your faith-filled giving is allowing more Alliance workers to bless the Japanese people with the true light that is found only
in Jesus Christ. As you worship each Sunday morning, remember you are joining in the ongoing chorus of praise that has begun with the sun in the east and echoes across the earth. We praise God in advance for the new believers who will join in the chorus. With thanksgiving,

—Nghi and Jessica, Japan

Our Taiwan aXcess Team is excited to have Chhon Kojap, one of the 60 newly appointed international workers, join our team! With 200,000 Vietnamese living in Taiwan, many in vulnerable circumstances, Chhon as a native Vietnamese speaker and with ministry experience will bring a tremendous help and encouragement to our Vietnamese work as well as our Taiwanese ministries. Thank you for sending us Chhon! (and we REALLY mean it!)

—Penny, Taiwan

Penny and I are so grateful for the faith-filled giving by our Alliance family! This has enabled Chhon Kojap to be appointed to our field of Taiwan and to help with the outreach to the hundreds of thousands of Vietnamese currently living and working in Taiwan. We are excited to be able to welcome Chhon and see to it that she will have a meaningful, impactful presence here, as well as a soul-satisfying ministry. THANK YOU!!

—Tim, Taiwan

Thank you for your generous hearts to send more people to live among unreached peoples. Every one person who comes changes the environment of where they live, for Jesus. When one more comes, first as learners of a new culture, we are given new hope that some who would never hear of Christ, will now have someone to listen, to share, to believe with them that Jesus can change their lives. Thank you!

—Rachel, Taiwan

We are truly seeing a time of harvest in our Middle Eastern country, as more people chose to follow Christ the past three years than in the past three decades combined! We are so grateful to our Alliance brothers and sisters for sending new workers into the harvest field; they are sorely needed! We are privileged to be part of a movement marked by LOVE, and you have shown it to our team and to Muslim Arabs through your generosity (John 13:35). Truly grateful!

—Rachel, Creative-access worker

WOW! What an amazing gift! Thank you so much for your generous and sacrificial donation toward Alliance ministries. Your giving not only enables us to continue serving in Cambodia but it opens doors for new workers to join the growing mission fields around the world bringing the good news of Jesus Christ and of hope to lost people. Your partnership with Alliance Missions, through prayers and financial support, is much appreciated. With grateful hearts,

—Soeuth and Syna, Cambodia

Thank you for your tremendous generosity during this year’s Great Commission Day offering. Thanks to the generous response of people like you, our team is blessed with receiving two new units this year. These new team members are critically and immediately needed following a difficult season that has left our team severely depleted. Just a few short months ago, financial constraints cast doubt on the timing of their arrival. But, because of your giving, we now look forward to receiving them this year and pushing forward through the many doors God has opened for us rather than just getting by alone. Thank you, and may God bless you for—and build his Kingdom through—your faith-filled response.

—Tim, Creative-access worker

The Congo South Team wishes to express to you our deepest thanks for permitting our former colleague, Chialin Yu, to rejoin our team in September. Your extraordinary generosity and vision will bless a number of Alliance teams the world over, but we cannot help thinking we are the most favored. During her first term in Congo, Chialin distinguished herself by her courage, wisdom, facility for languages, and collegial spirit in ministry. It came as a blow to us all when budget constraints prevented her from returning for her second term a little over a decade ago. During the intervening
years, we have often felt her absence.

God has given Chialin a new vision for collaborating with us in reaching Congo through orality, and graciously called her to be a part of our Congo South Team.

In sending Chialin back to us, you are giving us the greatest gift you could give a missionary team, a fully acculturated veteran with a heart consecrated to Jesus Christ and a love for the work. Thank you for helping to reinforce us.

— Jay, Congo

Thank you so much for your generous giving to the Great Commission Fund! Your gift allows a family to join our team in [our host country]. This new family will allow us to expand our work further into unreached areas of the country. We could not have done this without your sacrificial giving!

—David, Creative-access worker

Thank you so much to the individuals and churches who gave to the GCF. Without the generosity gifts that the individuals and churches give, we the workers at the front, will not be able to do our ministry effectively. So “Thank you” so much from the bottom of our heart for giving to the GCF.

—Timothy and Yia, Creative-access workers

We are so excited to have Kalen and Britta join our West Africa team. Kalen’s mechanical and construction skills will be of great importance as we continue to strengthen the infrastructure of our Bible Schools and come alongside our national church partners in developing church infrastructure in newly reached, rural areas. Britta comes to us with nursing skills that will fit right into what we are doing at the Women's and Children's Hospital. On their recent visit to our site, we rejoiced in seeing how God had uniquely prepared them to join our team.

—Jake, Creative-access worker

As international workers with the C&MA, my wife and I want to thank you for your participation in reaching the lost for Christ in the regions beyond through your generous and sacrificial Great Commission Day offering. Your contribution is helping to make possible the sending of the 62 new IWs in the near future. Thank you being a part of the solution for many to come to the Lord through your offering! Blessings in Christ,

—Bob and Joy, Paraguay

We are so excited and so thankful that Mark and Kit Murphy can now come to Thailand as IWs with the C&MA, because you gave! This choice couple will be helping the Thai C&MA with leadership training, a very strategic ministry to help the Thai national church mature and grow. Thank you for making this possible!

—Ed and Sue, Thailand

How can we adequately express to you our thanks for the outpouring of love for the deaf in [this West African] community? Without your giving that has resulted in the appointment of Mike and Renee this opportunity would have been lost. [This area of West Africa] has suddenly been thrown into turmoil with the church of Christ and the spreading of the Gospel being threatened. We feel the urgency of the times in bringing Mike and Renee now to begin a work among the deaf that might suddenly be closed to us for a very long time. The Apostle Peter saw his opportunity and seized it. We thank you for seeing your opportunity as well and for seizing it to share the Gospel with the deaf in West Africa. Thank you!

—Esther, West Africa

We are so grateful for your giving on Great Commission Day. Because you gave Mark and Kitiya Murphy were appointed to serve with us in Thailand. Currently 50 percent of the C&MA churches in Thailand don’t have pastors. Leadership development is greatly needed, and the Murphys will be coming to meet this strategic ministry need. We know that the passion and gifting that Mark and Kitiya have to develop the next leaders of the C&MA in Thailand will make a difference here, and it’s because you gave that they can be sent!

—Brian and Abby, Thailand
We are encouraged by your generosity and sacrificial giving. Your support has enabled us to receive a new worker who plays an intricate part in the advancement of the Kingdom in the two countries where we serve. God is moving in powerful and exciting ways and we are thankful that you are all a part of the fruit we see and hope we give here in a broken land.

—Matt, Creative-access worker

I wanted to thank you for your generous gifts to the GCF. You may not think it’s a big deal but we see the Holy Spirit moving and doing a new thing in the people here. Please know that your support has made it possible for new hands to join in this work with us. This means that His Light and Life is able to be shared even more with an unreached people. Someday you will hear the stories of how the Lord used your gift to move in mighty ways.

—Alicia, Creative-access worker

Thank you, Alliance Family, for treasuring people of all nations as our Father does. Thank you for making God’s priorities your priorities and for using the resources God has entrusted to you in order to further His Kingdom. Those of us working in other countries feel your backing and support so strongly, especially when we get new workers from among you! It very honestly helps spur us on and makes us stronger in our efforts to provide access to all peoples. We are deeply touched by your sacrifice and commitment to complete the Great Commission together with us for eternity!

—Quinn, Japan

Just as Paul wrote to the Corinthians in gratefulness for the way they excelled in the grace of giving, so Eric and I wish you could see our smiles as we say, “Thank you for your generous grace of giving!” We will receive THREE new couples joining three different teams to our country in this one year alone. Each of these new workers will bring fresh passion and insights, stability of service and fellowship, and spiritual vitality and encouragement. We are so glad for the sending partnership of our Alliance friends across the U.S.!

—Kaitlin, Creative-access worker

I am so thankful for our Alliance Family. How wonderful it is to be part of a movement that is focused on glorifying our Lord Jesus Christ by proclaiming His name among the nations. Here in Cambodia we are receiving new workers sent as a direct result of your faithful prayers and giving. Thank you, Brothers and Sisters of The Alliance!

—Jeff , Cambodia

Praise to the Lord God and Father of our Lord Jesus Christ who has put it in your hearts to give to generously to meet the needs in these Last Days. Who knows how much longer Christian missionaries will be tolerated in this world? How important it is that we are grasping this moment in time to do everything possible! Thank you SO MUCH for giving so that more hands can be put to the work of sharing the Gospel. Our field team will be better able to grasp more divine opportunities because you gave. May He reward you richly for your commitment to the Kingdom’s spread to those who have never heard!!

—Kent and Chris, Cambodia

Because of your generous gifts, our small team is growing. Not only does this provide more hands, but new energy that spurs us on to continue our work to plant more churches. Thank you so much.

—Stephen, Japan

As an IW on the field, I want to express my gratitude for your giving that has gone above and beyond what we thought possible. For me, I feel a sense of hope knowing that you are supportive of the work we are giving our lives to. Your giving also means we will be receiving new, long-waited for teammates and colleagues who will work alongside us, sharing what often feels like a never-ending burden of needs. I feel so encouraged and excited for what is coming! Thank you for making this possible!

—Sheila, Creative-access worker
We are grateful to God for the Alliance family’s support in sending the Jae Won and Jum Im Choi to serve in Mongolia. Through their service we are trusting God to see a new generation of Mongolian church planters raised up and coached to establish healthy communities of faith across Mongolia and beyond. Thank you for your giving.

—Mark, Mongolia

Our field is one of the fortunate recipients of the recent effort to send 60+ new workers. We have open access to some of the least reached peoples who have migrated to Spain. What a thrill to welcome Mike and Alyssa Brill who have come to till soil and sow the good seed of Gospel. Thanks to your generosity, The Alliance has been able to send out a new generation who are called to the least-reached peoples. And so we remain true to the reason God raised our family of churches up 132 years ago.

—Tim and Marilyn, Spain

The Alliance does an outstanding job at sending well and keeping their eyes on the main goal, to reach people far from Christ for His namesake. We want to thank you for your support and buying into what God is doing in West Africa. Your church’s support allows our family to serve teams and the [local] church well. Through your giving our Envision team has been able to drill fresh water wells for villages who need them the most, construct churches for new church planters, help build high schools, and support the handicapped with sustainable resources. Thank you! We pray God will bless your church in abundant ways, allowing you to continue to be generous.

—Joel and Amanda, West Africa

Thank you so much for giving and making it able for Joel and Amanda to come serve with us in West Africa. They served with us as Envision residents for almost two years and we already know what an asset they are to our team. Joel and Amanda, as well as their two daughters, connected extremely well with the nationals we serve with and we are regularly asked when they will be returning. We were in need of another family to join our team in order for us to function properly with teams, interns and residents. Since Joel and Amanda have already served with us, we know they are a perfect fit and have amazing gifts that contribute greatly to our team. We are all ready to have them back serving with us.

—West Africa Envision Team

Thank you so much for helping Laura Rodriguez get back on the field at Envision El Salvador! Through her you’re reaching out to dozens of young boys and girls that need to be loved, given hope, and developed for a better future in their lives, as they get to experience a relationship with Jesus. May our Lord bless you abundantly!

—Tony, El Salvador site coordinator

Thank you for your partnership with Alliance missions around the world. We are in this together and your role is important! Thank you for helping to bring the gospel and its transforming power to people of many nations. Thank you for helping to establish the Kingdom of God by helping people around the world with desperate needs, discipling them, and empowering them to live as strong followers of Jesus Christ. We are so grateful for your partnership!

—David and Doris, Creative-access workers

We want to thank you for contribution to our work in Africa. We know that you have many options when it comes to investing in the Kingdom, and we are thankful that you have chosen to partner with The Alliance!

—Shawn and Becky, Creative-access workers

We are grateful to be able to bring hope and encouragement to refugees in Thailand from places like Pakistan, Vietnam, and Somalia. Most of them face a very uncertain and hopeless future. With your generosity, we have been able to be Jesus’ light in their world. Matthew 25:37-40.

—Brian and Katie, Thailand

You gave. And because of your gift, our Indonesia field has a new couple coming to work with cousins. They’ll be hanging out with their neighbors, working alongside local farmers, teaching Zumba classes and coaching soccer. Thank you so much for being a part of sending them so that their friends will hear about “Isa.” Blessings,

—Buzz and Myrna, Papua, Indonesia

Matthew 6:21: For where your treasure is, there your heart will be also. Stepping into serving with The Christian and Missionary Alliance has been a bit like coming home to a loving family. I know walking the path the Lord has for me is best done from a solid...
foundation of love. The Alliance family has shown their heart by giving generously. I know I have a family praying and supporting the work I am called to do. This foundation of love and support propels me forward and helps me serve from a place of rest. Thank you for being a vital part of the family.

—Lisa, Creative-access worker

Greater Alliance family, thank you so much for working alongside us as we prepare for full time cross-cultural ministry. We have been blown away as we meet different churches across the East coast and see the Lord leading them in that work. You are a blessing and encouragement as we follow our Lord overseas. Thank you!

—Ben and Ashley, Creative-access workers

The Alliance has equipped us to respond to the genocide of a people group the UN has named “the world’s most persecuted minority.” Working here can be overwhelming, but our calling is stronger and our God is bigger. Your partnership is bringing them not only tangible relief, but most importantly, the light, love, and hope of Jesus!

—Sam, Creative-access worker

We are humbled and amazed at the faithfulness of His bride to respond financially in such a big way this year. Because of this faithfulness, we have opened this new field, to serve a people group that is unreached, marginalized, and the victim of ethnic cleansing. You, by participating, have helped to make His presence here possible. Thank you, thank you, thank you!

—Janelle, Creative-access worker

Thank you so much for your generosity in giving to The Christian and Missionary Alliance. Because of your giving our family will be able to serve with CAMA in Guinea, West Africa. Your gift has made an impact by helping to bring the people of Guinea hope through the gospel and healthcare. We thank you for your faithfulness to the Lord!

—Travis and Becca, Guinea

As director of marketplace ministries, I would like to thank you for the outpouring of support given to the Great Commission Day Offering. These gifts will facilitate the ongoing proclamation of the gospel as well as increase the opportunity to send out more workers to the harvest field. Marketplace ministries benefits from your generosity in many ways that help keep our folks focused on the goal of discipling the communities they are part of. I just spoke to two mm worker brothers this morning. One runs a business in India where people are introduced to Christ, and marriages have be healed. The other serves Muslim refugees with the love of Christ by helping them establish a life for their families. You help make this possible.

—Bill, Colorado Springs, Colorado
