OUR ★ VETERANS

On this Veterans Day, we say thank you to all our veterans. One definition of a veteran is an individual who signed a blank check payable to our country for an amount up to and including his or her very life. Whether you are in the service now or you were in days gone by, we say, "Thank you for your service!" When our country called, you answered the call and demonstrated a love for others and our wonderful nation.

May the Lord bless you, strengthen you, and make you fruitful in ministry for Him!!
